PRE-MARITAL APPLICATION FORM 0221

PRE-MARITAL COUNSELING APPLICATION FORM

We require couples to have individual “Personal Enrichment” sessions before beginning pre-marital sessions; however, due to the time involved with scheduling, we encourage you to submit this application as soon as you know you are interested in pre-marital sessions. If you have not had personal sessions, you will want to apply for that promptly as well (that is a separate application).

Please sign your name(s) below to indicate that you are aware and in agreement with the following statements:

- **I understand that HOPE Ministries requires that we both have personal sessions before beginning pre-marital sessions.** I have either already had personal sessions or have applied for personal sessions. I understand that pre-marital sessions won't be prioritized until this has been taken care of.
- **I am committed to working on my individual issues.** I recognize it is a process and that I am responsible to invest myself into the continuing healing in my life under the direction of Christ.
- **I understand that there will be a waiting time.** HOPE Ministries will seek to accommodate as much as is reasonable, but cannot promise to be able to schedule if the requested time-frame is less than three months.
