

# Premarital COUNSELING

*Build a solid foundation  
for your marriage.*

Dating and engaged couples are invited to come to HOPE Ministries to explore the spiritual and emotional problems that tend to 'lock up' a relationship.

Resolving these problems will enable the couple to experience the joy of emotional connection prior to marriage and true intimacy after the wedding.

## SUGGESTED TIMEFRAME

We encourage individuals to pursue personal sessions prior to engagement, and premarital sessions six months (or as early as possible) before marriage.

## COST

We do not charge for counseling, but invite individuals to ask the Lord what they could give. HOPE Ministries is a 501(c)(3) nonprofit organization. All gifts are tax deductible.
