

## SEMINAR SYNOPSIS

This seminar is designed to help individuals understand their hearts and see Jesus' personal love and care for them. When people understand their own brokenness, they can experience Jesus' comfort and healing.

This process helps one recognize his or her choices as well as the grace of Jesus needed to resolve spiritual issues that hinder growth, life, and relationships.

## HOPE MINISTRIES

Founded by Nevin and Joann Nisly in 2009, HOPE Ministries is a 501(c)(3) non-profit ministry located in Partridge, KS. The current ministry team includes five counselors and a secretary governed by a board of directors.

The HOPE Ministries' team has a passion to see others experience healing emotionally and spiritually, recognizing that only Jesus is the Healer and Wonderful Counselor. Through use of the Caring for the Heart model founded by John Regier, we help individuals explore patterns that may have developed over their lifetime and provide opportunities to allow Jesus to bring healing and hope to their lives in fresh ways.

We find that seminars are an effective way of giving people a glimpse of what God can do in changing lives and of the hope that only He can give.

## MAIN SPEAKERS

### **Nevin & Joann Nisly** *Director/Counselors*

Nevin and Joann were both teachers for many years and began their lives together in 2008.

After their marriage, they felt God's nudging toward dedicating their efforts to walking alongside others to understand, encourage, and care for them. After making

South-central Kansas their home in 2009, they started HOPE Ministries of Kansas, Inc.

They are excited about continuing the vision of assisting singles, married people, and churches as they pursue personal healing and also provide a safe environment for others to enjoy hope and life with a very personal Jesus.

## PERSONAL SESSIONS

Some of our team will be available during the day Thursday-Saturday to meet individually with those who would like personal sessions. We offer a personal assessment questionnaire to help us understand the emotional dynamics in a couple or individual, and would spend time in the personal sessions going over the results of this assessment.

If you are interested in taking advantage of this opportunity, please contact HOPE Ministries about scheduling your time slot and filling out a the assessment.

## TEAM MEMBERS

### **Janet Shetler** *Secretary*

Janet was born, grew up, and has lived in south central Kansas her whole life. She and her husband James attend Cedar Crest Amish Mennonite Church. As a mother who raised six children, a grandmother, and a deacon's wife she has found joy and purpose in the many opportunities to serve that have come her way. A few of her hobbies are growing and caring for plants and flowers, sewing, and identifying birds at her backyard feeder. She views the challenges of serving as secretary at HOPE as another way to support this valued ministry in our community.

### **Julian & Bertha Nisly** *Counselor*

Julian and Bertha attend Center Amish Mennonite Church where Julian serves as an ordained pastor. Julian works for Golden Rule Property Management doing maintenance work. In 2016, he began counseling part time at HOPE Ministries. Julian and Bertha enjoy spending time together as a family whether it's an evening at home, enjoying nature or exploring cities. Julian's came for counseling at HOPE in 2010 and began serving on the board shortly after their time there. The tools and healing they received gave them a vision for the work of HOPE Ministries.

### **Tracia Ropp** *Single Ladies' Counselor*

A northern girl at heart, Tracia grew up in Minnesota and spent five years working with Northern Youth Programs in Ontario. In 2018, she followed God's call to the plains of Kansas to finish the Caring for the Heart training and join the HOPE Ministries' team as a counselor. Tracia's passion for helping single ladies discover and live out of the heart God created for them comes out of her own on-going journey of learning to trust Jesus with the vulnerable places and allowing Him to redeem and write her story.

### **Lorene Miller** *Counselor*

Lorene grew up in Pennsylvania. At age 21, she moved to Ohio to care for handicapped children where she met the love of her life, Curtis. Together they were involved in voluntary service for the handicapped for 10 years. In 2001, they moved from Virginia to Kansas and are a part of Curtis' home church and community. She is a mother to seven children and a grandma to three. Her happy places are spending time with her family, or with friends over coffee, cooking in the kitchen or reading in her comfy recliner. She has a vision to walk alongside people to understand and care for their hearts.
